1. Verify this report online at: <https://btia.edu.rs/xlcx/bgcx.jsp>
2. Or scan the QR code using the BTIA App for verification

Important Notes:

1. This registration form is based on the "Electronic Registration Measures for Higher Education Student Status and Qualifications" (Education Document [2014] No. 11) as a result of electronic registration and verification of academic credentials.
2. If the content of the registration form has been modified, please refer to the latest online verification content.

3. Without the consent of the owner of the academic information, the registration form shall not be used for purposes contrary to the wishes of the owner.
4. The online verification validity period of the report is set by the report owner (1-6 months), who can extend the verification validity period again before the report verification expires.
